FLORIDA SAR: **Wm. LEE Popham Sr., President**
South Atlantic District Report **2019 Fall Report** **WmLeePopham@outlook.com**
Spartanburg, South Carolina **06 October 2019** **305-904-4400**

The time between each South Atlantic District Meeting has literally flown by, with quite a bit accomplished during this very active time period. Many thanks to all of our Florida SAR Compatriots for their continuing support! A job like this simply cannot be accomplished without the volunteer help and support of our membership.

When I represented the Florida SAR at the Awards Presentations at the 2019 Costa Mesa CA 129th SAR Congress, I felt like a Jack-In-The-Box – Florida was called up to receive so many awards and recognitions, they cannot be listed in this report! I got a sunburn from all the popping flashbulbs….!! These recognitions were presented at the Saturday evening banquet of our 2019 Florida SAR Fall Board of Managers (BOM) meetings on 5 October.

I started the year by saying LET'S GROW TOGETHER. If we do nothing more than file applications for our own children, grandchildren, siblings, uncles and nephews, I believe we can become the largest Society in SAR. We are already the largest and best District.

We invited our Florida Compatriots to bring their family history materials with them to the Fall BOM, and drop in on the Patriot Research System (PRS) Workshop – our volunteers and Chapter Registrars in attendance will drop whatever else they are doing, and help you get your Membership, Supplemental, and Memorial Applications completed and filed. Each BOM is open to everybody, so bring your prospective members too!

Membership:

The following numbers are the counts of the size of the FLSSAR as of **9/20/2019**, we have **2,489** members by FLSSAR count, this includes Youth, Dual, E-2 and E-3 members, if you deduct those then the FLSSAR is 2404 or to put a sharp point on it we are very close to having an additional Patriot Medal. We will have 4 and if we can add 96 members by reinstatement, Transfer In or New before 12/31/2019 then we get 5 medals.

Historic Sites and Celebrations in Florida:

Last Naval Battle Memorial Ceremony – The Last Naval Battle Memorial Ceremony was held in Merritt Island, Fla., during the weekend of 9-10 March, with participation by DAR, C.A.R., Community Leaders, and the Florida SAR Color Guard.

Battle of Thomas Creek – Compatriot Popham attended the Battle of Thomas Creek Memorial Ceremony in the Jacksonville Fla. area during the weekend of 29-31 March and participated in the Color Guard. He brought Greetings from the Florida Society, and placed a Miami Chapter wreath at the ceremony – right next to the FLSSAR wreath, and the Florida Ladies Auxiliary wreath.

Battle of Pensacola – This celebration has met with difficulties in recent years, and it was not held at all during the past year. A Task Force of 15 SAR, DAR, and Pensacola Community Leaders, led by Compatriot Bob McGuire (Chairman, Historic Sites and Celebrations Committee) met at the Pensacola Grand Hotel. A meeting was held in Pensacola in an effort to get the annual Battle of Pensacola celebration back on track and to reassure NSSAR that this should retain its designation as a "National Event". The last significant SAR celebration had been held in 2009, and the continued recognition by NSSAR was in jeopardy. Lee Popham and I drove out on August 15th and held a meeting that evening which included NSDAR VPG Ginger Poffenberger, State Regent Kay Yarbrough, Pensacola Chapter Regent Theresa Friday along with PG Lindsey Brock, RVP Matt Mathews, Pensacola Chapter President Chris Washler and other SAR members who had been involved in earlier celebrations. On Saturday, Wesley Odom – past Pensacola member and owner of Go Retro tour company took participants on a tour of areas that are important to the celebration, and reviewed a plan he had developed to restore to event to prominence. While there remains much work to be done, May 9, 2020 has been set for the next celebration of the Battle of Pensacola.

2023 Orlando Congress Task Force

Our Proposal to host the 2023 SAR Congress was successful, and we will be hosting the Congress in Orlando. There are lots of preparations to be made, and a meeting of this Task Force will take place during the BOM. All persons interested in participating and supporting our efforts are welcome to attend this organizing meeting. Many thanks to all of our Compatriots for your continuing support! A job like this simply cannot be accomplished without the volunteer help and support of our membership.

This Task Force was formed during the Fall 2018 BOM, to investigate the feasibility of a Florida location being selected for the 2023 National Congress of the NSSAR. During this Fall 2019 BOM, we expect that our Task Force will become a full Committee.

We have received information regarding several qualifying hotel facilities in the Orlando area, and site visits for 6 or 7 of these hotel and convention facilities are expected to take place during the last week of October 2019. **All proposals submitted by the Hotels are either for the 13-20 July 2023 or 20-27 July 2023**. A Church visit is also expected to take place, in order to select an appropriate forum for the annual Memorial Service that takes place – in Colonial uniform and dress – at each Congress.

North Carolina Society of the Sons of the American Revolution

Report for South Atlantic District Meeting of October 6, 2019

Have chosen four goals to guide us in leading the North Carolina Society during my term as President in 2019 – 2020.

Our first goal is to prepare the North Carolina Society in getting prepared for our 250th Anniversary.

Have outlined an objective of obtaining a list of all the battle sites within North Carolina, and adding to that list all the political actions that pertain to the relevant colonial sites and political actions of the Revolutionary War. As one of the 13 colonial states it is important to better capture all the relevant history and use it to guide us in our celebration of the Anniversary. The Society Historian, Honorable Joe Sam Queen has had several meeting with the head of the State Archives in Raleigh and the request has been handed to the State Archives Director.

The second goal is to grow our membership from 1100 members to 2200 by 2025.

We have grown the number of chapter to 27 chapters. We are placing special attention on three areas that pertain to this growth. We are concerned about aiding each chapter to have a strong program to reach out to new members. We are concerned that the members become active in our activities that are special to a chapter, like color guard, grave marking. As the process continues to evolve and change regarding membership applications, we concerned that the State Registrar can continue to educate the members at Regional Vice Presidents meeting.

Our third goal of enhancing the SAR-DAR partnership relates to the first two goals.

We are proudly support by the DAR at our annual Battleground commemorations and grave marking. The North Carolina DAR has 105 Chapters and 7,000 + members. We need to aid our 27 chapters in knowing the DAR Chapters who are close to them and being enable the SAR and DAR chapter to contact each other as necessary. A chart locating the DAR chapters that are the closest to each of our SAR chapters has been prepared. We have already added one new event to our list of NCSSAR events this year that was previously celebrated without SAR chapter support. We have enjoyed the DAR support as they have aided us in the past in finding new members. The chart should enable the SAR and DAR to be less unenlightened of our mutual undertaking and to suggest that we expect to return the aid and to support them as they request.

My fourth goal pertains to Veteran Salute.

We do not have a record of all the veterans who have been recognized in our State. After the past record of these awards is soundly known, we will have a basis to make sure that we have not overlooked any of our members. Would seem appropriate if we could add appropriate data to our National Data Base.

Compatriots of the Southern Atlantic District,

I am pleased to be able to attend this South Atlantic District Meeting and I'm happy to report the South Carolina Society of the Sons of the American Revolution ("SCSSAR") continues to grow in membership and remains very active. We currently have approximately 930 compatriots enrolled in the SCSSAR. We have added 59 new members through our 2nd quarter and 13 new applications awaiting review with NSSAR. We have 20 chapters and are developing two new chapters in the Florence and Summerville metropolitan areas. The Chapter in Camden, S.C. is being revitalized.

The Society congratulates Maj. Robert Crawford Chapter for sponsoring Brooke G. Bachini, an eighth-grade student who took top prize at the Annual 2019 SAR Congress for her patriotic brochure entry in the Sgt. Moses Adams Memorial Middle School Brochure.

The summer and early fall months have seen Annual Commemorations and grave markings throughout the state, including commemorations at Buford's Crossroads (Buford's Mass acre), Huck's Defeat, Battle of Camden, the Battle of Musgrove Mill, and the Battle of Eutaw Springs (attended by former President General Warren Alter and First Lady Nancy. The Society was delighted when the SAR Historic Sites and Celebrations Committee recognized the Battle of Eutaw Springs as a National Event at this Fall Leadership Conference! The support provided by the States in this District who participate in this event was gratifying.

The most recent SCSSAR Board of Governors meeting was held Saturday, July 20,2019. On August 24th, the Society conducted a Strategic Planning Session to set out a plan of action over the next year. We had 30 attendees representing 15 of our 20 chapters. It helped re-energize those in attendance and was regarded as a success.

We welcome compatriots of the South Atlantic District to this outstanding Kings Mountain commemoration in which the SAR, DAR, C.A.R. and other patriotic and lineage societies & chapters join

More information on future SCSSAR events can be found at scssar.org.
